

Index to Welty's *One Writer's Beginnings*

This index, while neither extensive nor exhaustive, provides Welty scholars with a place to begin researching. The following compilation indexes the Harvard First Press Edition, 1984, and includes all subsequent printings and issues of the first edition. This index does not correspond with any printings of the 1985-86 G. K. Hall & Co. second edition or with the 1985 Warner Books third edition. The editors welcome additions and corrections. Please send them to ewn@gsu.edu.
